D-EXIM (Diploma in Export Import Management) from Delhi Productivity Council.

Work Experience:

Working Successfully at various Strategic & Functional levels in Pharma Sales & Marketing since 2003.
Worked in Leading Indian & Foreign Pharma companies like Alkem Laboratories, Emcure Pharma, Pharmacia, Pfizer Limited and Organon India.

In the beginning Years of 21st Century Conceived & Founded Excella Life Sciences Pvt. Ltd., with a Dream & Ambition to create a 'Pharma Company Of The Century'.

Special Achievements:

✚ **My inspiration to create Excella!**

Thought – Sharing :

**WORLD BELONGS TO ALL.
YOU DESERVE & YOU DESIRE.**

What I want to achieve through Excella?

**“Ordinary people can create extraordinary organization, if provided with right ambience and culture”.
Excella will become a source of livelihood for atleast 500 families by 2015.**

I don't believe in rebirths etc., In this background I wish to share my thought:

**“LIFE COMES ONCE; HENCE MAKE MOST OF IT.
IT PROVIDES NO CHANCES OF LOOKING BACK AND REMAKING,
SET YOUR PURPOSE OF LIFE CLEAR IN YOUR MIND AND
PUT EVERYTHING TO SERVE THE PURPOSE”**
